Name (first/last):__GT Student ID Number:__

GT Email Address:__Daytime Phone:__

Major:__Anticipated Graduation Date:__

In addition to the guidelines listed below, you are responsible for reviewing and following the general guidelines for minors: [http://www.catalog.gatech.edu/academics/minorguide.php](http://www.catalog.gatech.edu/academics/minorguide.php)

I. The Film and Media Studies minor is comprised of 18 semester hours, of which at least 12 semester hours must be upper-division coursework (numbered 3000 or above). All minor courses must be taken on a letter-grade basis and must be completed with a grade of C (2.00) or better.

II. Each student must take two courses from this group (6 hours): (LMC 2500 or LMC 2400) and LMC 3254.

III. Each student must also take three courses from this group (9 hours): LMC 3206, 3252, 3256, 3257, 3258, 3259, 3314, 3352, 3406, 3853.

IV. Each student must also take either a capstone-type course or a course from a closely related area that will provide additional depth and perspective to the study of film and media (3 hours): Capstone courses: LMC 4400, 4500 or Related courses: HTS course on film/media (e.g. HTS 2085) or modern language course on film/media (e.g. GRMN 4024).

A maximum of 6 semester hours of Special Topics courses may be included in this minor program or the student may complete 3 semester hours of Special Topics and 3 semester hours of either Special Problems or Undergraduate Research. Students may not use 6 semester hours of either Special Problems or Undergraduate Research for this minor.

A maximum of 3 semester hours of transfer credit may be used to satisfy the course requirements for this minor. This includes courses taken at another institution or credit earned through the AP or IB program, assuming the scores meet Georgia Tech minimum standards.

This minor is designed to increase the breadth of students' education. Therefore it is open to all students except those in the CM and LMC majors. CM and LMC majors interested in this topic should consult with their advisors about electing the appropriate degree threat.

It is the major advisor's responsibility to verify that students are using only courses from the designated block(s) from the student's major field of study that are allowed to satisfy a minor program, that they are not using any Core Area A-E courses (including humanities and social sciences), and that they are not using any courses for more than one minor or certificate. Any free elective course used to satisfy the course requirements of the student’s major degree program may also be used to satisfy the course requirements for a minor.
