In addition to the guidelines listed below, you are responsible for reviewing and following the general guidelines for minors: <http://catalog.gatech.edu/academics/minors/>

A minor program of study must have at least 15 semester hours of coursework and include 9 hours of 3000-level or above coursework.

1. INTA 2050(3 hours) is required
2. Three electives (9 hours) required (see list below)
3. Capstone course (INTA/ME 4744 – 3 hours) required
4. All courses must be completed with grade of ‘C’ or higher
5. It is the **major advisor’s responsibility** to verify that students are using only courses from the designated block(s) from the student’s major field of study that are allowed to satisfy a minor program, that they are not using any Core Area A-E courses (including humanities and social sciences), and that they are not using any courses for more than one minor or certificate. Any free elective course used to satisfy the course requirements of the student’s major degree program may also be used to satisfy the course requirements for a minor.
6. A maximum of 6 semester hours of Special Topics courses may be included in a minor program *or* the student may complete 3 semester hours of Special Topics and 3 semester hours of *either* Special Problems or Undergraduate Research. Students may not use 6 semester hours of either Special Problems or Undergraduate Research for a minor.
7. A maximum of 3 semester hours of transfer credit may be used to satisfy the course requirements for a minor. This includes courses taken at another institution or credit earned through the AP or IB program, assuming the scores meet Georgia Tech minimum standards.
